Missouri Truck Drivers of the Month for March & April 2015

On July 29th, 2015 representatives of Buchheit Logistics were invited to the Missouri State Capitol in Jefferson City by the Missouri Trucking Association to recognize two outstanding drivers. These drivers were chosen as Missouri Drivers of the month by an independent panel of safety and trucking professionals from MoDOT, Federal DOT, and the Missouri Highway Patrol.

Howard Hall of Sedgewickville, MO

was awarded the Missouri Trucking Association Driver of the Month Award for the month of March 2015. Howard was chosen based on his 40 years of driving experience with Buchheit Logistics, his over 4 million miles without an accident, no tickets on his MVR, and the countless hours of training he has done as a professional truck driver. Howard has won this same award two previous times: 1996 and January 2014.

Bill McKinley of Union, MO

was awarded the Missouri Trucking Association Driver of the Month Award for April 2015. Bill was chosen based on his 23 years of driving experience plus 3 years with Buchheit Logistics as both an owner operator and company driver. He was also chosen because of his 3.3 million plus miles without an accident, no tickets on his MVR, and the countless hours of training he has done as a professional truck driver. Bill was also chosen for his achievements out of the truck as well. Bill has been active with his daughter in the Girl Scouts of America for years and he invented the first aerosol spray wax.

Each driver was recognized for their Driving Excellence by MO Senators Wayne Wallingford & Dave Schatz and MO House Representatives Shelley Keeney & Paul Curtman.

We are VERY proud of all of our drivers, but want to showcase these very special drivers for their accomplishment on that day!

Looking For More Options?

Buchheit Logistics has 4 Fleet options: Flatbed • Hopper Bottom • Dry Van • End Dump. We are currently hiring in all 4 fleets.
