

### Buchheit does cancer promotion

Employees at Buchheit stores in Sparta and Perryville will wear pink through the month of October to show support to those battling cancer. The company claims it will donate funds raised through promotions to local organizations that provide services to cancer patients. The pink uniform shirts and a pink handgun kit will be available for purchase. Buchheit will donate \$5 from each shirt sold and \$20 from the sale of the guns. Donation cards of \$1 or \$5 will also be sold and displayed throughout the store, and a Carhartt bag can be purchased for \$5. Shown are employees from the Sparta store.
