## Sparta Buchheit will donate to Pink Ladies group

Buchheit in Sparta will donate a portion of its proceeds of a special project to the Pink Ladies Support Group.

Pink Ladies is a group that helps women in Sparta who have cancer buy certain products to make their treatments more bearable.

Carol Mulholland of the Pink Ladies said the donations will go toward purchasing wigs for patients and pillows and blankets

while they are receiving treatment.

The pink shirts that Buchheit employees have been wearing can be purchased, and a \$5 donation will be made from the sale of each shirt.

Donation cards will also be sold at \$1 or \$5 and displayed around the store.

Customers can also purchase a Carhartt bag for \$5, and proceeds will go to the Pink Ladies.
